Reflections on the Sunday readings: 11th Sunday in Ordinary Time

Spring and summer, with salad greens sprouting and seedlings patted in place, I so look forward to a good harvest of vegetables! On the other hand, I know how disheartening it is to discover that the biggest, juiciest tomato in the garden has been invaded by worms, or that my whole crop of spinach was eaten overnight by a marauding gopher.

In the 11th century, Blessed Theophylact noted that the harvest Jesus is referring to in today's Gospel is "the multitude in need of healing." If I am saddened by a tomato or a crop of spinach that doesn't make it, I can only imagine how devastated our Lord is when beloved human souls go missing from his kingdom because there was no one to proclaim the Good News, cure an illness, or call a despondent person back from death to life.

It is this work of healing that prompted Jesus to call 12 ordinary people into action to heal the wounds of the world. And it is this healing work, demanding as it is, to which we are also called. Today, will we come to Christ to be renewed in body, mind and spirit, to go back out into the fields of our families, friends, and communities, to heal lives before they are wasted? Holy Spirit of Jesus, nourish us today to be able to harvest the yield of your fields.

This is the first major feature length drama on the life of St. Anthony of Padua, the beloved miracle worker and one of the most popular saints in Christian history. Made in Italy with top-notch acting talent, and superb cinematography, this is an outstanding film on the amazing life of St. Anthony. It presents Anthony as a dynamic and appealing person who sacrificed wealth, popularity, and family for the Kingdom of God.

Born into a Portuguese noble family in 1195, Anthony defied his father's wishes that he become a knight and, instead, followed the call of God to become a monk, eventually joining the Franciscans as a follower of St. Francis of Assisi. Anthony became renowned for his powerful preaching and his miracles that won countless souls to Christ. The film follows his travels through Italy, his mission to Morocco, and his meeting with St. Francis. It beautifully portrays the power of his preaching, the holiness of his life, his love for the poor and oppressed, and the wonders of his miracles. Actor Daniele Liotti gives a truly memorable inspiring and performance as St. Anthony."

Were you as amazed as I was when you heard Roe v. Wade was overturned? This is huge. A lot of people are upset about that, and they're pretty open about it. But a lot of other people are hurting because of abortion, and they're silently searching for healing. Abortion causes trauma, even though you rarely hear that talked about. Countless women who've had an abortion deeply regret it. And they need our help. So even if you don't personally know someone who's had an abortion, what can we do to foster hope and healing around this sensitive topic? That's what we're talking about today.
