## Reflections on the Readings: Epiphany

Today's Gospel tells of the wise men journeying to meet the infant king. We are told they were following a star and when they found Jesus, they rejoiced and responded with worship and gifts. We can do the same in our lives today.

We must notice the star—the call from God that beckons us—and respond as they did. These wise men no doubt had busy and demanding lives, but they dropped everything and followed a star to something, to someone, beyond their imagining. At the beginning, they could not have known what their journey would hold for them, only that they should follow wholeheartedly. They must have made space in their hearts, to respond so fully. In the season of Advent, we were called to make space for Jesus to come. Not that Jesus was not already present, but to brush away the clutter and make space again for what—for who—is most important.

Once Jesus has arrived in the space we have made in our hearts, how do we respond to his arrival? To this new awareness? Are we overwhelmed with joy as the wise men were? Can we too respond by sharing our time, our attentive presence and our gifts? What is God calling us to do and to share? Can we respond as the wise men did, with hope and without reservation?

The first feature film ever on the story of St. Joseph, who was a carpenter, the husband of Mary, and the foster father of Jesus Christ. Scripture tells us that St. Joseph was a "just man" and that God gave him the most daunting task ever asked of a man—to be the husband of the woman who would give birth to the Messiah and the father and protector of this Holy Family. He would be the man closest to Christ.

Join Brother Francis as he celebrates the story of our Blessed Mother, Mary, and the very special role she plays in the Church and in all our lives!

Mary of Nazareth is an epic motion picture on the life of Mary, Mother of Christ, from her childhood through the Resurrection of Jesus. Shot in high definition, it was filmed in Europe with outstanding cinematography, a strong cast, and a majestic music score. Actress Alissa Jung gives a beautiful, compelling, and inspiring portrayal of Mary.

The film vividly captures the essence of Mary's profound faith and trust in God amidst the great mysteries that she lived with as the Mother of the Messiah, as well as her compassionate humanity and concern for others, and the deep love that she and Jesus shared for one another. The movie underscores her special role in God's plan for our redemption, her unique relationship with Christ, and the tremendous suffering that she endured in union with his Passion and Death, as well as her serene joy at his Resurrection.

Nicholas was still a young child when he discovered a very special secret that changed his life forever. It was the gift of giving, by which he brought happiness to many people. Nevertheless, in sharing this gift, Nicholas had to face many dangers.

Here is the fascinating story of the boy whose love and care for others make him one of the most popular figures of all times. Today, more than sixteen centuries later, the entire world celebrates the kindness and generosity of the man we call Santa Claus.

Based on historical facts and traditions, *Nicholas: The Boy Who Became Santa*, is the beautifully animated film worth watching all year long.
