Peace with a garden

There is peace with a garden, a peace so deep and calm.
That when the heart is troubled, It's like a soothing balm.

There's life within a garden, A life that still goes on.
Filling the empty places, when older plants have gone.

There's glory in the garden, at every time of year,
Spring, summer, autumn, winter, it fills the heart with cheer.

So everyone tend your garden, its beauty to increase.
For in it you will find solace, and in it you will find peace.

May we all find peace in our gardens.. Amen

Now the LORD God had planted a garden in the east, in Eden; and there he put the man he had formed. *Genesis 2:8*

For as the soil makes the sprout come up and a garden causes seeds to grow, so the Sovereign LORD will make righteousness and praise spring up before all nations.

Isaiah 61:11

Those who work their land will have abundant food, but those who chase fantasies will have their fill of poverty. *Proverbs 28:19*

The LORD will guide you always; he will satisfy your needs in a sun-scorched land and will strengthen your frame. You will be like a well-watered garden, like a spring whose waters never fail. *Isaiah 58:11*

Have you registered with the Parish?

Do we have an up to date phone number and address?

It is important to keep the parish informed of any changes so we have you correctly in our data base. **We are planning this fall to do a Parish Directory.** This is a book produced with every family or singles picture in a bound book. This gives everyone a tool to find the names of people they don't know or have forgotten. It is also useful for historical purposes. **So make sure you are registered with the Parish** so we can contact you this fall when we begin this project. **We encourage everyone to be part of this project!**

Life Culture

Lifeculture.ca/Mpower

There are a lot of single moms. There are close to one million single moms in Canada, with over 300,000 of them living in poverty. This is not okay and Life Culture wants to do something about it. Life Culture wants women to choose life, but it doesn't stop there. We also want single moms to thrive and be able to provide for their children. So we are excited to announce that we have created the Life Culture MPower Education Scholarship Fund for single moms. (The "M" in MPower stands for Motherhood, as in "Empowering Mothers.") A recipient of this scholarship can use it in ways that are most helpful for her to achieve her education. She may choose to use it for academic tuition, to cover student loan debt acquired while pregnant/parenting, or for family use such as childcare while she is in school or studying. This scholarship is a tangible way we can support women in choosing life, attaining their education, and providing a better future for their children. If you would like to donate to MPower Education and help single moms further their education, please email me at susan@lifeculture.ca
