Life Culture

Dear St. Viator's Roman Catholic Parish, the results from a new Research Co. survey show how much our culture needs the church to be a voice for life.

The study measured Canadians' attitudes towards Medical Assistance in Dying (MAiD). The results are sobering, with 73% of Canadians in favour of MAiD under current federal guidelines.

Further:

1. 27% of Canadians think MAiD should be allowed for poverty
2. 28% for homelessness
3. 51% for inability to receive medical treatment
4. 43% for mental illness
5. 50% for disability

Among 18 to 34 year-olds, the stats are even more concerning:

1. 41% think MAiD should be allowed for poverty
 2. 41% for homelessness
 3. 57% for inability to receive medical treatment
 4. 55% for mental illness
- 60% for disability

MAiD disproportionately targets the vulnerable and marginalized, the very ones Christians are called to defend and care for.

**60% OF CANADIANS
AGED 18-34 THINK
MAID SHOULD BE
ALLOWED FOR
DISABILITY.**

Suffering is only intolerable if no one cares.

The Garage sale was a super success. The weather cooperated and many parishioners helped out. The set up for the sale takes 21 hours over 3 days, the sale days are about 19 hours over 2 days. Approximately 65

shifts were covered by volunteers to set up, price, sell, pick up, pack up and clean up for the sale as well as prepare food for the workers. It is not only a fundraiser but a great social time for everyone. We celebrated our stewardship, our faith and our community this week, who could ask for anything more! Thank you to all who donated, worked, prepared food and came supporting our sale. It may take many people to produce a prosperous garage sale but it contributes not only financially but also spiritually to our parish.

God Bless You for your involvement.

Spring is Here!!

Turning our thoughts to plants, it's time to think about beautifying our church grounds once again!

Since it worked so well last year, we'll put it out there again. If you would like to "adopt" a planter to two and fill it with flowers and plants, and take care of them through the season, that would be wonderful! They all looked so beautiful last year, and was great to see so many different ideas for decorating them!

Is the journey taking you somewhere, or are you leading yourself to some kind of destination – a destination that could extend beyond your last breath? What do you want from your life during the in between? The questions are there. And, the answers are too.
